

The banner features a dark blue background with a faint map of Missouri and a bar chart. The text 'KAUFFMAN MISSOURI EDUCATION DATA SUMMIT' is in white, and 'DATA VISUALIZATION TOURNAMENT' is in large, bold, yellow and white letters.

KAUFFMAN MISSOURI EDUCATION DATA SUMMIT DATA VISUALIZATION TOURNAMENT

You're Invited

Register now for the **Missouri Education Data Visualization Tournament**,
a competition in which teams will use public education data
to create innovative visualizations.

**4 p.m., Thursday, June 9,
to 7 a.m., Friday, June 10**

[Stoney Creek Inn](#)

**2601 S. Providence Rd.
Columbia, MO 65203**

WHAT: Teams of school leaders, coders and non-profits representatives from across the state will work through the night to create applications, tools or new ideas for data visualization in three categories.

PRIZES: First prize in each of the three categories is \$1,000 and will be awarded at the beginning of the Missouri Education Data Summit on Friday, June 10.

[REGISTER HERE BY MAY 23.](#)

Dinner and caffeine will be provided. Participants must bring laptops and, if necessary, dongles to connect to a projector. Entrants will receive a 60-day extended trial of Tableau Desktop. We suggest using the software and public education data in advance of the event. Data will be available in one source in advance of the event.

STAYING OVERNIGHT? Call 1-800-659-2220 to make a reservation at the Stoney Creek

Inn and use code 1606EWINGM to receive a discounted rate. Must book by May 23.

QUESTIONS: Email Christopher Laubenthal at claubenthal@kauffman.org.
